

FAQ for Booster dose at PPV KL TZU CHI JING SI HALL

1. What is the vaccine used for booster dose KL JST PPV?

Currently it's AZ or Pfizer .

2. Would it be on appointment or walk in basis?

The vaccination list is provided by MySejahtera. For appointment registration, please walk in on the days when the PPV is in operation. If there is sufficient vaccine on the day of walk in registration, you can receive your booster jab immediately. However, if there is insufficient vaccine, you can still register and will be contacted at a later date.

3. When does the PPV commence operation, ie the opening times and dates?

The KL JST PPV will start operation from 4/12/21 (Sat) onwards, every weekend from 9am to 5pm

4. I have received my booster dose appointment in MySejahtera at another PPV. Am I able to cancel that and come to JST PPV to receive my booster dose?

No, please go according to the location appointed by MySejahtera. We are unable to change the appointment in MySejahtera.

5. I do not want to receive booster dose if it is Pfizer or AZ. Can I request to change?

Please go to MySejahtera to cancel your appointment if this is not the vaccine you want.
