APPLICATION FOR COMPENSATION

The Malaysian Bar established the Advocates and Solicitors Compensation Fund (CF) in 1978 to mitigate the losses suffered by members of the public (who are clients of lawyers) arising out of the dishonesty of lawyers. One example is where a lawyer misappropriates monies held by him or her as a stakeholder.

The funds in the CF come from compulsory annual contributions from every practising lawyer registered with the Bar Council.

Please click [here](#) for the guideline on making claim for CF or click [here](#) for other information regarding the Compensation Fund, and on the links below for documents required for an application for a grant out of the Compensation Fund.
